

BAND BIO 2023

CROWNSHIFT – born as a longtime idea of four friends, is a new high standing metal act from Finland. The members familiar from the ranks of Finland's finest export titans like Nightwish, Children Of Bodom & Wintersun, are thrilled to start a new journey together and spread their authentic sonic print across the globe.

Covering seamlessly a diversity of styles, the quartet has a unique signature on their modern sound. Hypnotizing melodies paired with ripping riffs, from moody mid-tempo songs to a fierce prog-death-metal opus, CROWNSHIFT was born to be master of all trades.

The debut album is a showcase of relentless ambition that will take you through a wide musical spectrum with no compromises or boundaries, assuring the band is on a quest of putting a massive mark on the map.
